

ANTHEM OF THE I.L.G.W.U.

Our battle is won, but the fight's just begun,
And the union flag's unfurled;
United we're strong, let us march toward the dawn
Of a brave new worker's world.

Oh Union of the Garment Workers
To you we ever will be true.
We'll build and we'll fight, and we'll rise in our might
With the I.L.G.W.U.

GOD BLESS AMERICA

Irving Berlin

While the storm clouds gather far across the sea,
Let us swear allegiance to a land that's free;
Let us all be grateful for a land so fair,
As we raise our voices in a solemn prayer.
God Bless America, Land that I love.
Stand beside her and guide her
Through the night with a light from above;
From the mountains, to the prairies
To the oceans white with foam,
God bless America, my home sweet home.
